

Thermal Laminator

The versatile 45" and 65" thermal laminators enables users to encapsulate, laminate and mount with ease.

Highlights

- **Quality Silicon Rollers** – Providing consistent heat distribution across nip
- **Independent Heaters** – Program up to 9 settings for top and bottom roller temperature
- **Release Liner Take-up** – Included as a standard option for cold and heat assist lamination
- **Convenient Features** – Digital controls, quick notch gap adjustment, rear remote and rear cross cutter
- **Operator Protection** – Safety shield designed to keep operators hands away from the hot rollers
